

## Golden time to visit seniors

**Volunteer Linda Sproule  
with Leah and Stella.**

CITY Beach resident Linda Sproule and one of her two golden retrievers – Leah and Stella – visit seniors at Dorothy Genders Village in Mosman Park every week.

Residents and staff at the Amana Living facility will recognise the semi-retired volunteer, who also helps with bus trips and social activities, on Thursday as part of National Volunteer Week.

“There is so much satisfaction in helping other people and now that I am semi-retired I find that I have more time to help out,” Ms Sproule said.

“I’ve got to know the residents and staff very well at Dorothy Genders and I really do love going to see them every week as do my two dogs Leah and Stella. More than 320 people volunteer at Amana Living villages in Perth.
